

THE HELOG ACADEMY PACT

**LIBERIA'S VOCATIONAL EDUCATION PACT
AN INITIATIVE OF THE PRIVATE SECTOR**

INITIATOR

HELOG Academy Liberia is a Private Professional Technical Institute, approved by the Liberian Ministry of Education and legally registered in Liberia, as a nonprofit organization. HELOG Academy has its main campus located in Schieffelin, Margibi County; approx. 35 km east of Monrovia, on the Robertsfield Highway.

The core activity of HELOG Academy is to develop and to operate a modern training system in developing countries, which implements certain elements of the successful German Dual System.

OUR VISION

- To provide a well trained workforce with internationally recognized certificates to the Liberian industry.
- Using significant elements of the long lasting successful German Dual system.
- Creating a Dual System that is also adapted to local requirements and the specific needs in Liberia.
- To fill a gap in the Liberian education system.
- Contribute to the effectiveness and quality of TVET system in Liberia.
- To train the workforce in becoming level entry professional in hard demand careers.
- To appeal to the responsibility of the industry and to join forces with and benefit from the efficiency of the private sectors and their management systems.
- To be a leader in the development of technical education in the West Africa region.
- To provide quality services for technical vocational education in the West African region.
- To contribute to sustainable development of the technical workforce in Liberia through innovations and applications of appropriate advanced technology.

HELOG'S RESPONSIBILITIES

- Close coordination between Umbrella groups, the Ministries and the project partners.
- Operating the Academy on the highest educational level.
- Keeping the highest standard in training academics.
- Providing state of the art equipment and tools.
- Regular interaction with the partners from the industry.
- Interaction with the University of Liberia.
- Interaction between the Chambers of Commerce in Monrovia, Accra and Germany.
- Utmost transparency with the funds being contributed.
- Providing well trained teaching staff.
- Providing a fair recruiting procedure.
- Supporting the industry with well trained, qualified and specialized workforce.
- Creating awareness of the Global Compact Sustainable Development Goals.
- Application of a modern Quality Management System.
- Regular audits performed by an independent audit firm for quality assurance.
